

A world of smiles through excellence in dentistry

In an Emergency

If you have an urgent problem we want to see you as soon as possible, so that we can help you.

We will offer our registered patients an appointment within 24 hours. In order to facilitate this we ask that you contact us as early in the day as possible.

Clover House Out of hours Emergency service

If you are registered as a patient at Clover House you are able to contact a dentist for advice or treatment if it is required, outside our normal opening times.

A dental emergency could be accident damage to teeth, severe pain, swelling or bleeding.

The service is provided by a rota of dentists so it may not be the dentist you normally see and you will need to go to their Practice for the emergency appointment.

The Emergency Rota hours are:

Weekdays	7.00pm to 8.00 pm
Bank Holidays & Weekends	10.00am to 4.00pm

Call out charges are:

Callout charges are £150 payable to the on-call dentist at the appointment. If you are on one of our payment plans, you may be able to reclaim some of this fee, depending on your plan.
